### Welsh Springer Spaniels

#### **Puppy (Entries – 4, Absentees - 3)**

1. Monday's Haselmount Monarch with Ambika – Very raw 6 month old puppy, who took a while to settle on the move. Good bone and deep brisket. Would have preferred a little more stop. BP

#### **Junior (3,0)**

1. Abbott's Norlington Night Magic – Close decision between 1 & 2. Two very different types, but preferred the compact frame of 1. He had good bone and moved in a very active fashion. Head was a little strong for my liking.
2. Caldwell's Highclare Spring into Action
3. Monday's Telkaro Seventh Heaven at Menstonia

#### **Graduate (5,0)**

1. Baker's Anibesco Starlight Express – Loved the drive with which she moved. Good lay of shoulder and deep brisket. Lovely dark eye and tight feet.
2. Baker's Anibesco Phantom of the Opera
3. Barkley & Short's Parkmist Miss Temptation

#### **Post Graduate (4,0)**

1. Rounce's Menstonia Final Appeal – Nicely put together bitch with a wonderful soft expression and tight feet. Moved well.
2. Monday's Solva Margherita for Ambika
3. Abbott's Norlington Night Magic

#### **Open (6,1)**

What a wonderful depth of quality in this class.

1. Revill's Julita Regal Request – Lovely compact bitch with a wonderful outline. Very feminine head with a bright eye. Well put together with deep brisket and lovely tight feet. Moved with great power and drive. BOB
