Junior (4, 0)

1. Blackford's Amblelight Saiph – 10 month puppy with a lot of growing up to do still, masculine head, nice tight feet, well set on tail. BP and PG4.

3. Madden's Cavwelies Windblossom with Madsprings

Graduate (4,1)

A class who all moved with drive – a pleasure to see.

1. Reynolds' Kylowen Quin of Benoveor – nice type of dog, pleasant head but would prefer a little more stop, nicely laid back shoulders, good deep chest, well muscled second thigh, nice tight feet, moved with power and drive, just wish he didn't fly his tail. BOB.
2. Baguley & Attwood's Kylowen Gerrans
3. Attwood's Kylowen Quilletts

Open Dog (4,0)

1. Baguley & Crowther's Tannamoor Hallmark at Lligwy – typical Welsh head with kind expression, well bodied dog with good bone, deep chest, nice close coupling, good tail set, unfortunately moved a little close behind.
2. Reynolds' Roxdale Arofan Rinold by Benoveor
3. Lampersberger's Kurzeja Cloud Dancing

Open Bitch (5, 1)

1. Attwood's Kylowen Gyllyngvase – delicate bitch with nice soft expression, good depth of chest, tail set nicely off back, good rear angulation which allowed her to move with power and drive.
2. Blackford's Amblelight Parhelia
3. Attwood's Kylowen Mawla
