Welsh Springer Spaniels

Junior (Entries – 2, Absentees - 0)

1. Jackson's Catjack Baboushka – Well put together bitch. Moved in a positive fashion aided by her full tail. Look forward to watching her progress as she matures.
2. Abbott's Norlington Nutmeg - BP

Post Graduate (6,0)

1. Morgan's Amiro Baccanal – Soundest mover in this class. Lovely compact bitch, exactly the right size, creating a powerful impression, just right for a day in the field. Strong length of neck, good lay of shoulders, depth of chest and rear angulation. Beat her litter brother for BOB on her sweet expression.
2. Abbott's Norlington Night Dancer
3. Renouf's Ranwolf Frior

Open (4,0)

1. Morgan's Amiro The Thinker – Like his litter sister, really takes on the ring when he moves. Not surprisingly, many of the comments that apply to his sister also apply to him. Clean cut outline, well proportioned with good lay of shoulders, depth of chest and rear angulation.
2. Renouf's Highclare Isy Whizzy
3. Isherwood's Phetina Star of Sirius

BOB - Morgan's Amiro Baccanal

BP - Abbott's Norlington Nutmeg
